1 The court has reviewed the notice of related cases in the above-captioned actions. All
2 four cases that were before the undersigned are now closed. The assigned District Judge and
3 Magistrate Judge in case no. 2:23-cv-00801-TLN-CKD have already resolved several pending
4 motions and that case is also closed. Although all the actions involve the same parties and are
5 based on similar claims, the court finds assignment of the actions to a single judge is not “likely
6 to effect a savings of judicial effort or other economies” in this case. E.D. Cal. L.R. 123(c). The
7 court therefore **declines** to relate the above-captioned actions.

8 IT IS SO ORDERED.

9 DATED: March 25, 2025.
